COMMON QUESTIONS

ORGANIC TRANSITION MYTHS & REALITIES

The biggest concerns we hear from farmers

RODALE INSTITUTE™

RODALE INSTITUTE™ REGENERATE *the Health of* VENTURA COUNTY

MYTHS & REALITIES

MYTH 1: Certification is too expensive.

REALITY Transition costs are real. This grant may help cover eligible equipment, inputs, certification, consulting, and more.

MYTH 2: I already grow organic. I don't need certification.

REALITY Certification can verify your practices and strengthen access to buyers, programs, and future opportunities.

REGENERATE *the Health of* VENTURA COUNTY

MYTHS & REALITIES

MYTH 3: The paperwork is too much.

REALITY Farmers receive guidance on planning, records, and certification prep.

MYTH 4: I have to convert my whole farm at once.

REALITY You can enroll eligible, identified acres and transition step by step.

Already using organic practices?
This may be your moment to make it official.

READY TO TAKE THE NEXT STEP?
ARE YOU READY TO GET $60K?
This opportunity is for farmers prepared to follow through
Transition to Organic. Lead the Movement.
RODALE INSTITUTE
RODALE INSTITUTE
REGENERATE the Health of VENTURA COUNTY

THIS PROGRAM MAY BE A FIT IF...

- You have stable control of the acreage.
- You can identify the fields you want to transition.
- You are willing to keep records and documentation.
- You are prepared to work toward certification.
- You are ready to respond, meet, and follow through.

Funding supports the transition.
Farmer commitment makes it successful.
